

NOW FOR JUST

€350

Do the engine check-up and prevent problems

Timely and regular maintenance prevents future defects and that can save you a lot of money and worries. As the expert in the field of service and maintenance, we offer you an engine check-up at a very competitive rate. For just €350* we will do a full check-up of your engine on location when it suits you. You will receive an extensive report and maintenance advice from us, so you know exactly how your engine is doing.

Schedule your engine check-up now

Call +31(0)79 368 3683 or send an e-mail to service@manrollo.com

THE ENGINE CHECK-UP CONSISTS OF:

✓ **Endoscopic inspection**

Visual inspection of wear pattern on valves, valve seats, piston crowns and cylinder liners at two cylinders per cylinder bank of a V-engine or two cylinders in total of an inline engine.

✓ **Engine oil analysis**

Sampling and analysis of engine oil for evidence of wear and contamination.

✓ **Coolant analysis**

Sampling and quality testing of the engine coolant.

✓ **EDC data analysis**

Extraction and assessment of EDC data (if available).

✓ **Turbo check**

Inspection of the condition of one or more turbochargers per engine.

✓ **Report and advice**

A report of our findings and a maintenance recommendation.
